

Advertisement for Bids
Sonora Regional Wastewater Recycling Facility Project
EQUIPMENT SELECTION AND PROCUREMENT

The Tuolumne Utilities District (TUD) is seeking equipment vendors to submit separate electronic/secured .pdf bids for the procurement of each of five separate equipment packages as part of the current design improvements at the Sonora Regional Wastewater Treatment Plant (WWTP) located in the City of Sonora, Tuolumne County, California. Interested vendors shall submit one proposal per equipment package. All proposals shall be in conformance with the performance specification request for proposals (RFP). Copies of the RFPs in electronic format can be obtained by contacting Mr. Robert Murphy, PE, Pacific Advanced Civil Engineering (714) 376-6943 or via rmurphy@pacewater.com. The five equipment packages include:

1) Biological Treatment, 2) Blowers, 3) Filtration, 4) Headworks and Grit Removal System, 5) Sludge Dewatering.

This project is being funded by USDA Rural Development. Section 746 of Title VII of the Consolidated Appropriations Act of 2017 (Division A - Agriculture, Rural Development, Food and Drug Administration, and Related Agencies Appropriations Act, 2017) and subsequent statutes mandating domestic preference applies an American Iron and Steel requirement to this project. All listed iron and steel products used in this project must be produced in the United States. The term “iron and steel products” means the following products made primarily of iron or steel: lined or unlined pipes and fittings, manhole covers and other municipal castings, hydrants, tanks, flanges, pipe clamps and restraints, valves, structural steel, reinforced precast concrete, and construction materials.

Bids will be received electronically, via emailed .PDF, at the office of Pacific Advanced Civil Engineering (PACE), Attention: Robert Murphy, PE (email to rmurphy@pacewater.com). Bids will be received until 3:00 PM, (Pacific Standard Time) on October 9th, 2020.

Date of First Publication: September 8, 2020
