MONDAY, JULY 26, 2021
8:00 A.M.

Chair: Director Balen
Member: Director Ringen

Staff: Don Perkins
Eric Hall
Melissa McMullen
Matt Nolte
Trevor Cowden
Steve Sheffield
Makayla Dillon

1. Discussion Regarding Willow Springs Raw Water Needs

Don Perkins presented a brief summarization of the Willow Springs raw water needs and responded to questions. Mr. Perkins stated that he is looking for direction on the possible usage of well water to help provide for Willow Springs raw water needs.

Committee Recommendation: Staff to continue to work with the Willow Springs Homeowners Association to develop a mutually beneficial agreement.

2. Firewater Draft Points Discussion and Possible Recommendation

The Committee held discussion on Firewater Draft Points, fire risk and possible District responses and contributions to the community.

Committee Recommendation: Staff to proceed with the development of the Firewater Draft Points and continue to research grant possibilities.
