1. Discussion on Water Stations for the Community

Director Ringen began discussions on the proposed water station and stated that he brought this item before Committee for staff input. The Committee held discussion on the proposed water dispensing station and the grant opportunity through Tuolumne-Stanislaus IRWM WAC.

Committee Recommendation: This item was informational only.

2. Discussion on the following Integrated Regional Water Management Projects:

- a. **Sonora Water Treatment Plant** – Trevor Cowden provided an update on the Sonora Water Treatment Plant project.
- b. **Mount Provo** – Update: Project received a grant and is in progress.
- c. **Phoenix Lake Preservation and Restoration Project** – Don Perkins stated that staff is meeting internally to further discuss this project. Staff will also be speaking with members of the public that have expressed concerns. More information will be brought back to the Board of Directors for further discussion and staff direction in the upcoming months at a Board workshop.

Committee Recommendation: This item was informational only.
