**Temporary Water Service Interruption and Traffic Advisory  
South Fork Rd./Longway Rd.**

SONORA, CA: Tuolumne Utilities District construction crews must shut down a water main in the Brentwood area on Friday, February 23, 2024, between 8 a.m. and 3:30 p.m. to install a valve assembly as part of the Longway Loop at South Fork capital improvement project. Affected residents in the area may experience little to no water pressure during this time and will be notified directly by phone and physical door hangers.

Crews must close and detour around a short section of South Fork Rd. at its intersection with Longway Rd. Motorists are advised to proceed with caution and take alternative routes if possible.

For more information, contact our office at (209) 532-5536 or visit us at [www.tudwater.com](http://www.tudwater.com).
