Special Board Meeting Agenda
Wednesday, September 22, 2021 - 8:00 a.m.
Sonora Water Treatment Plant
520 East Bald Mountain Road
Sonora, CA 95370

In order to protect public health and the safety of our Tuolumne Utilities District ratepayers and members of the public against the COVID-19 pandemic, the TUD office and Board Meetings are physically closed to the public. Please see paragraphs below for additional information.

Notice: This meeting will be held in accordance with Executive Order N-29-20, issued by California Governor Gavin Newsom on March 17, 2020, the Ralph M. Brown Act (California Government Code Section 54950, et seq.), and the Federal Americans with Disabilities Act.

The purpose of this meeting will be to familiarize the Board with the water treatment plant and physical attendance at the plant will be required. Since physical attendance is required, live streaming the meeting at the same time will not be possible. In an effort to accommodate the need for this meeting, and the need to comply with the Governor's Executive Orders, as well as the Ralph M. Brown Act and still provide both the Board and members of the public the opportunity to participate in this meeting, strict guidelines will be in place. ***The public's right to participate in this meeting shall be preserved by allowing a total of five members of the public to attend this meeting in person. Members of the public who wish to attend must contact the Board Clerk and obtain confirmation of their attendance. The five available public slots will be awarded on a first-come-first-served basis. If there is a significant desire for more than five members of the public to attend, then an exception may be made, but only after confirming it can be accomplished in a manner consistent with current state and local COVID safety guidelines. All meeting attendees who attend the meeting in person must arrive and leave in separate cars as no public transportation will be provided. In addition, all attendees must wear a mask and adhere to social distancing requirements (six feet of distance between persons). There will be no exceptions to this policy. Those not complying will be asked to leave. Thank you for your cooperation.***
